

Dear members of the Conseil d'Administration,
members of the Conseil Magistral,
fellow Bailli Delegates and Baillis from around the world,
fellow Chaine members and friends:

Here it is at long last - the program, information and registration form for the Premier Grand Chapitre of the Bailliage de Pekin, Bailliage National de Chine which will be held on the first weekend in September 2010.

The members of the Beijing chapter look forward to welcoming you to the Northern Capital of the Middle Kingdom and showing off what this wonderful city has to offer.

Then, either before coming to Beijing or after the Beijing event, our members of the Shanghai chapter would equally like to welcome you to their city, known as the "Paris of the East". Shanghai is bustling with activities these days with Expo 2010 creating much of the buzz.

We hope that you could help us spread the news and forward this message to all members in your respective Bailliages. We do welcome visitors and friends, too. However, space is limited and therefore we can only reserve space for those who reply early.

Thank you and look forward to personally greeting you, "Ni Hao!"

Viva la Chaine!

Vlad
