### **XIII. Grand Chapitre – Hungary Budapest, 6 – 9 October, 2011**

**Dear Fellow-Members, Dear Friends,**

a very warm welcome to Members and Friends of the Chaîne des Rôtisseurs!

This year between 6th and 9th of October 2011 our Confrérie will organize the XIII. Grand Chapitre in Hungary. An outstanding event – such as the Grand Chapitre – has been a superb opportunity to tighten our friendly ties, to deepen our international relations.

Chaîne Friends are most welcome from every corner of the the world. The induction ceremony will be conducted by Mr. Joseph Michael Girard, Grand Argentier, Member of the Conseil d'Administration.

#### **The short summary of the programs:**

##### **6th October, Thursday**

The program will start with a welcome dinner at a restaurant of high prestige, the Onyx Restaurant, situated in the heart of the City, a solid partner of our Baillage, which has recently received a Michelin star. We proudly mention, that this establishment is full of young, talented but experienced Hungarian staff.

The welcome dinner will be a typical example what the word calls fine dining.

##### **7th October, Friday**

In the morning hours we organize a visit to the baroque style Grassalkovich Castle in Gödöllő. This place is within an hour drive on highway from Budapest. The Castle is a true part of the Hungarian Heritage, where, during the Hungarian EU Presidency, most of the European Union high level delegations were received and the official meetings were held. A little walk around the Palace, viewing the gorgeous garden and landscape, sipping tea, coffee and refreshments is a relaxing hour before departure to the next venue.

In the neighbourhood of Gödöllő, the world champion Lazar Brothers' Horse Paradise is located, where we can enjoy a traditional Hungarian horse show, visit the stables and horse stalls, ride on carts pulled by horses around the huge park. Our guests can also see the showroom full of medals, photos and coaches, and watch documentary movies about their competitors. The highlight of the visit is a real gastronomical experience, tasting typical and carefully selected Hungarian country style food with matching wines.

### **8th October, Saturday**

The morning hours are free enabling our distinguished guests to prepare themselves for the main program of the day.

The afternoon will start with the Induction Ceremony followed by the Gala Dinner in the City Park-located, 117 years old, traditional, internationally well-known, elegant, and highly reputed Gundel Restaurant. Exquisite menu, delicious food, culinary extravaganza on the plates, excellent drinks. What else you need to have the time of your life!

### **9th October, Sunday**

Short city tour followed by the farewell lunch in the Wildrose restaurant. The 40 years old Vadrózsa receives its guests in a charming, elegant, baroque style building on Rózsadomb, which is one of the most beautiful areas in Budapest. The pleasant, quiet background piano music adds a little more to the homely atmosphere. The evergreens and golden oldies give more delight to the guests.

We do hope, that the Grand Chaptre in Budapest will be successful, where friendships will start, relationships improve, doors open wider for those who show interest towards our country.

We wish an unforgettable long weekend for everyone!

With culinary greetings!

Vive la Chaîne!
